CORVETTES ON THE
HIGH DESERT
JULY 17, 2010

The High Desert Corvette Club was formed in 1991. We are a nonprofit organization and contribute to the community with annual donations to various organizations such as Hospice, Boys and Girls Clubs, Snip Clinic, Healing Reins, Kiwanis Food Bank and Crystal Peaks Youth Ranch. Our major fund raiser is "Corvettes on the High Desert" a gathering of Corvette Clubs from around the Pacific Northwest and beyond, culminating in a Banquet and Raffle to generate funds for donation.

We are currently soliciting businesses and organizations for donations of products and/or services for our July 17, 2010 event. This years charity is Crystal Peaks Youth Ranch. Crystal Peaks Youth Ranch was founded in 1995 and serves children from disadvantaged, broken and blended households melding their needs with abused and neglected horses to create a nurturing experience for the children and horses. The children range from 5 years to 18 years of age and are from the Central Oregon area. The Ranch has expenses of over \$315,000.00 annually, received from donations.

Please consider a donation of products or services toward our raffle. Your name or business will be included in our welcoming information for participants as well as posted at the Banquet and Raffle locations. Your donations will help to continue the good works of Crystal Peaks Youth Ranch.

Thank you for your participation.

Sincerely,

Sincerely,

John Burgess
