

HIGH DESERT CORVETTES NEWSLETTER

JANUARY
2012

SANDE'S SCRIBBLES

New Years is upon us and resolutions are being made. My first resolution is to get this newsletter out before NewYears. The remainder of my resolutions shall remain a mystery. May I suggest that we all resolve to make 2012 an exceptional year for High Desert Corvettes by bumping up our enthusiasm, making an extra effort to make all new members feel welcome and everyone pitching in to make Corvette on the High Desert 2012 the best ever.

On December 10th many of us gathered at the Juniper Golf Club for our annual Christmas party. It was a wonderful social evening including great food shared with good friends, and a fun gift exchange. By now you may have viewed the festivities through the photo show provided by Mike Sawyer and Rich Morton. Once again they preserved the memories of this fun evening for all of us. The evening would not have been possible without the arrangements made by Suzanne Sawyer. Hats off to Suzanne for a Christmas party to remember.

All club members should have received a phone call from our nomi-

nation committee by now. If you haven't talked to them or returned their call, please consider running for one of the positions needed. Being an officer or filling one of the alternate positions is a great way to get to know all club members better and it is also fun to be an integral part of the club.

Don't forget to send in your dues prior to March 31. Dues are \$30 per year for singles and \$40 per year for a couple. You may bring your check, payable to High Desert Corvette Club, to the next meeting and give it to Donna Johnson, Treasurer or mail it to High Desert Corvette Club, P.O. Box 6442, Bend, OR 97708-6442.

Corvettes on the High Desert continues to have monthly meetings the first Wednesday of each month. Please consider joining us in planning this event and making it a success. Recently Barbara Morton joined in and is planning a early morning poker walk for guests not preparing their cars for the Show n Shine. She is planning a fun easy walk through the Eagle Crest area. If you should have any similar ideas to enhance this event, please join in. The more the merrier and the better.

This is a busy time of the year and since we have received no additions to the newsletter from the membership or elsewhere, this Newsletter will be short, but hopefully sweet. I'm closing with a wish to all of you for very HAPPY NEW YEAR and may 2012 bring you nothing but the best.

Save The Wave
